The thesis is to be classified as confidential (encrypted) if it

- contains business secrets,
- contains classified information,
- contains a patent or an invention,
- contains the personal data of a third party,
- concerns the University's business interests. (ARS, section 80 (4))

Documents required for requesting the encryption:

The Encryption of the Thesis

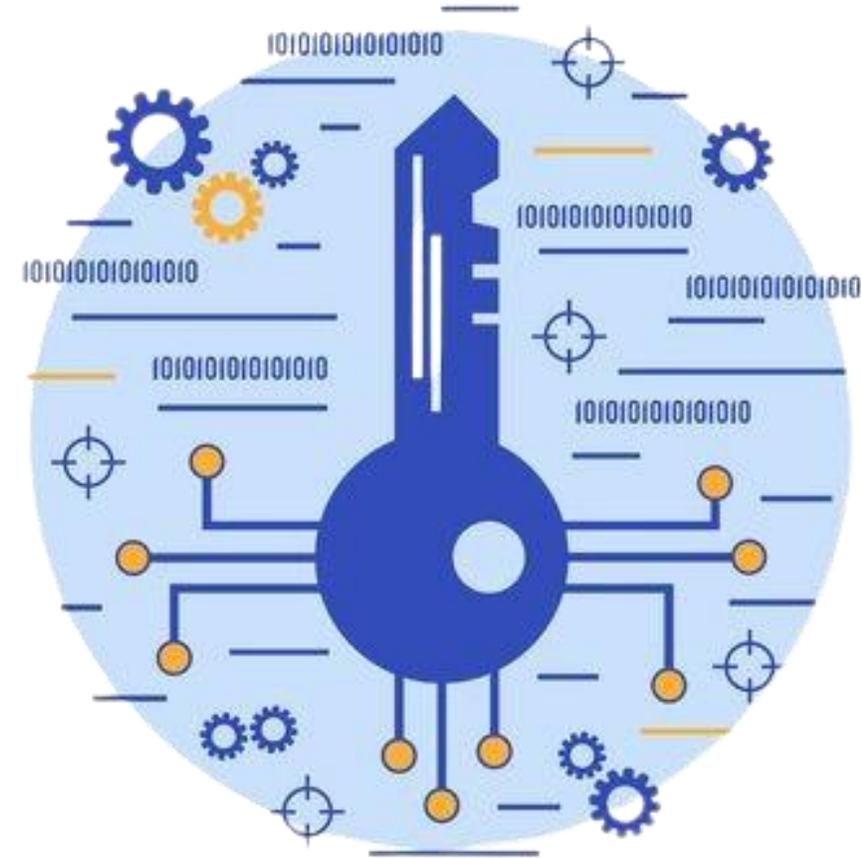

Deadline for submitting the encryption documents:

🌟 The 1st of November

🌸 The 1st of April

- After the electronic request is accepted and the decision is made that the student has obtained the necessary consents for the encrypted thesis, and the supervisor, the reviewers and the members of the Final Examination Committee are granted access by the relevant party.
- Upload the decision to Neptune along with the thesis. When you upload your thesis file, choose the "**Confidential**" option from the dropdown menu.
- In case of encryption, protect your thesis with a password, send the password to your supervisor and - if you have already learned the composition of the future Final Examination Committee - to the members of the committee.

Thesis upload, additional information

- **IMPORTANT! The upload deadline also applies to documents uploaded to Onedrive!** We are unable to accept modifications of a later date, the same expectations apply to those who upload to Neptun, and due to the large size, the program is available via a link.
- **The thesis file can be modified until the upload deadline. To do this, you must first delete the previously uploaded file, then you can upload the corrected, supplemented document.**
- **The opponent of the thesis will evaluate the thesis and deliver the preliminary thesis opinion to the student via Neptun.** Since the evaluation part of the thesis also takes place in Neptun, only by uploading it is ensured that both the supervisor/opponent and the Final Examination Committee members have access to the theses of the final examinees, therefore it is important that those who previously submitted their thesis in paper form, upload it to Neptun by the deadline.
- **If you have an external supervisor,** send the evaluation prepared by him/her to the internal supervisor via e-mail, the internal supervisor will be able to upload the evaluation to Neptun.
