About BSc in Computer Science programme

About BSc in Computer Science programme

Our BSc in Computer Science training is 6 semesters long and provides a general overview of the world of Informatics: the practice of programming, software engineering, and the appropriate mathematical and theoretical background. For more details, [click here](#).

- **What kind of degree will I get at the end of the training?**
 - A BSc degree
- **How much does it cost?**
 - The tuition fee is **3,200.00 EUR** per semester and needs to be **paid** by the time the semester starts OR in case you need it for a visa, until the deadline of the visa administration.
 - Furthermore, you have to **pay an 80 EUR application fee**. (It is a NON-REFUNDABLE one-time fee), the fee of the administration costs of your application: to check your documents, organize your test and the interview. Without this fee, your application will be rejected.

How can I apply?

- Submit your application to [Computer Science BSc](#)
Application deadline: **30 April** for the semester starting in September
- Please, sign in at the site and upload the following application materials wholly:
- Copies of your **secondary school finishing documents** (GCE / GCSE / ...) and a **transcript of the results of the final two (or more) years**. If you don't have yet a final document (because you're in your final year), you can send it later, as soon as possible, but please send us your transcript anyway.
Without these documents, the admission committee will deny your application!
- Copy of **any further documents**, or course descriptions about your previous education. E.g. computer courses, higher education, language exams etc.
- A **curriculum vitae**, listing your personal data, your educational background, and work experience (if you have), and mentioning whatever you find relevant.
- A **motivation letter** describing your situation and objectives with applying to our University's course.
- A copy of the main pages of your **valid passport**.
- A **passport photo** not older than 3 months.
- A copy of your **medical certificate**, which can be issued by the nearest hospital or doctor; it should state that you do not carry any contagious diseases and that you are found physically and mentally fit for higher education abroad.
- Proof of **application fee transfer** – 80 EUR
- **If a document is not in English, please send both a copy of the original and an official English translation, otherwise we cannot evaluate it.**

Of course, you must take the original entry qualification documents along with you when you finally come to the university.

IMPORTANT! Before submitting your application, please double-check your personal data AND the e-mail address you have provided, that e-mail address will be your official e-mail address, and we will write you information letters ONLY onto this e-mail address. In case you would like to change your e-mail address later, please write an e-mail to international@inf.elte.hu

What happens next?

- In case you paid the application fee, your documents will be checked
- If you have uploaded everything correctly, you will get an invitation e-mail for an online test to your e-mail address registered during the application process:
 - Syllabus, topics studied in secondary school
 - Word problems
 - Arithmetic, geometric series
 - Number theory
 - Functions
 - Logic
 - Absolute values
 - Fractions
 - Inequalities
 - Equation systems
 - Root and Quadratic equations
 - Exponential and Logarithmic equations
 - Trigonometry, trigonometric equations
- The Faculty does not have any example tests.
- **If the result of your test is at least 50%**, we organize an interview in English to check if you have Intermediate language knowledge.
- Once everything is done and your results exceed the expected level, you will receive a Letter of Acceptance via the application site.
- With the Letter of Acceptance you can apply for a visa.
