If you click on the globe icon, select the Hungarian flag, and you'll be able to download the syllabus in Hungarian as well.

The image displays two screenshots of the ELTE Faculty of Informatics website, illustrating the process of selecting the Hungarian language for the syllabus.

**Top Screenshot:** The page header shows the navigation menu with 'Exams', 'Finances', 'Information', and 'Administration'. The 'Registered subjects' section is visible, with a 'Filters' tab and a 'Terms: 2025/26/1 (aktuális félév)' dropdown. A blue arrow points to the globe icon in the top right corner of the page header.

**Bottom Screenshot:** The page shows the 'Registered subjects' section with the 'List' button. A blue arrow points to the Hungarian flag in the top right corner of the page header, indicating the selected language.
